## CUTTING LIST

Aqua Mist card base: 11" x 4 1/4", scored @ 5 1/2"

Kraft for punching – scraps at least 2" x 2"

Ocean Tides saddle stitch ribbon: 4 1/2"

## DIRECTIONS

1. Stamp polka dots in Ocean Tides ink onto one end of Aqua Mist cardstock.
2. Fold cardstock to make card base. Use ½" side on corner chomper to round corners on the right hand side of the card.
3. Attach Ocean Tides saddle stitch ribbon to the card front separating the polka dots from the solid cardstock. Trim ends of ribbon flush with edge of the card.
4. Arrange snowflake stamps onto acrylic block so you can stamp them all at once. Stamp the snowflake cluster on kraft cardstock with Fresh Snow ink. Stamp the "joy" sentiment below the snowflake cluster in True Black ink. Punch out with the circle punch.
5. Attach rhinestones to the punch snowflake piece.
6. Use dimensionals to attach the snowflake piece to the card front.
