DIRECTIONS

1. Cut all cardstocks to size. Score the kraft cardstock at 4 1/4 inch on the long side to create an A2 card base. Sponge dark chocolate ink around the edges.
2. Stamp ornaments on rustic white cardstock using sweet leaf, hibiscus burst, sweet blush, and true black inks. Draw a line from each ornament to the top of the cardstock to create "strings" for the ornaments to hang from. Ink the edges of the cardstock with tea dye duo inks and dark chocolate ink. Stitch cardstock to scarlet jewel mat.
3. Stamp sentiment on small rustic white cardstock, trim the end, and ink edges with tea dye duo inks and dark chocolate ink. Adhere to scarlet jewel mat and trim the end.
4. Use glue pen to add glitter to ornaments. Adhere layer to card base. Adhere sentiment to card using foam adhesive.
