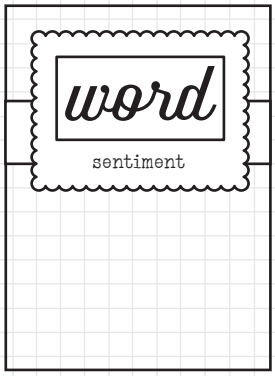
Sketch recipe

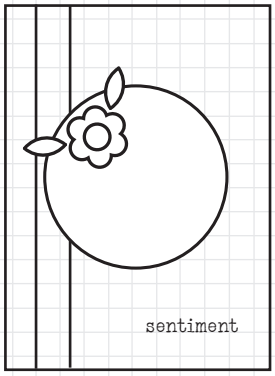


DESIGN NOTES:

Turn any of the journal card dies horizontally at the top of an A2 card. Embellish with a matted word stamp or die, along with a companion sentiment stamped underneath. Accent with a strip of patterned paper behind.

december 2014 release | www.papertreyink.com

Sketch recipe

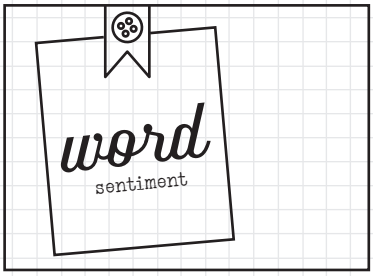


DESIGN NOTES:

Add a couple strips of contrasting patterned paper along the card spine. Use a circular image as your focal point with some type of die-cut or embellishment that extends over edge. Sentiment in lower corner.

december 2014 release | www.papertreyink.com

Sketch recipe

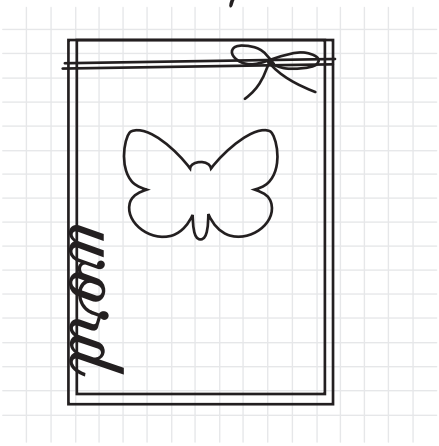


DESIGN NOTES:

Add a short strip of patterned paper or ribbon with a notched end to "hold" a focal block to the card cover, accented with a button.

december 2014 release | www.papertreyink.com

Sketch recipe

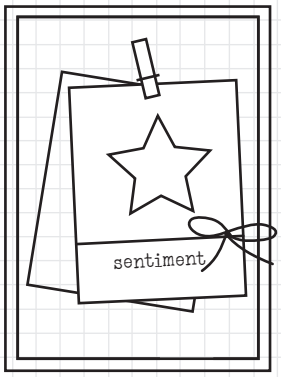


DESIGN NOTES:

Wrap & tie twine around the top of the card front. Accent the left edge with a stamped or die-cut word. Finish with a large, simple focal point.

december 2014 release | www.papertreyink.com

Sketch recipe

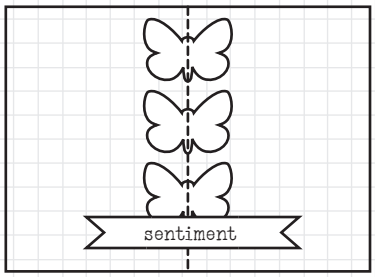


DESIGN NOTES:

Use a mini clothespin to attach two journal cards or cardstock blocks together. Tie top one with twine, adding sentiment below.

december 2014 release | www.papertreyink.com

Sketch recipe



DESIGN NOTES:

Cover each half of card front with contrasting patterned papers. Add three die-cut shapes along seam and stitch over them. Finish with sentiment banner.
