*Sketch recipe*

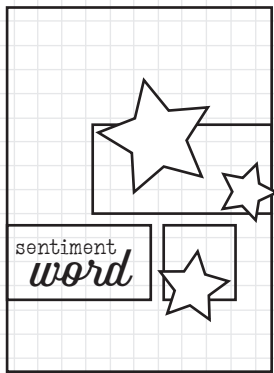

DESIGN NOTES:

Use thin strips of cardstock to create borders. Leave enough space between two of the strips to add a sentiment.

*Sketch recipe*

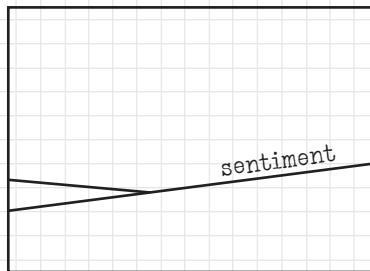

DESIGN NOTES:

Create some color blocking with cardstock then accent the blocks with die-cut shapes and a bold stamped sentiment.

*Sketch recipe*

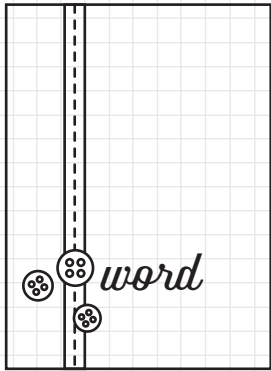

DESIGN NOTES:

Select two contrasting patterned papers and add them at varying angles at the bottom of a crisp white card front. Stamp a sentiment along the top edge of the paper.

### Sketch recipe

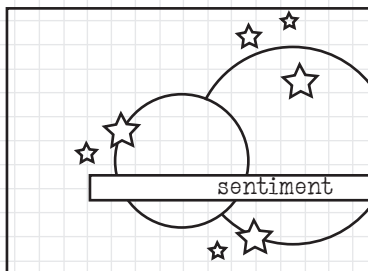

#### DESIGN NOTES:

Add a strip of patterned paper towards the spine of your card and then a thin strip of cardstock along the edge of that. Stitch the thin cardstock strip with your sewing machine. Accent with three buttons.

### Sketch recipe

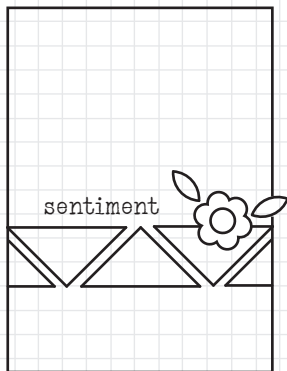

#### DESIGN NOTES:

Use two circles of different patterned papers underneath a sentiment strip. Accent with small die-cut shapes or embellishments in a random scattered fashion.

### Sketch recipe

#### DESIGN NOTES:

Line up die-cut triangles to create a border. For added interest, use a variety of patterns and colors for the triangles.
